Measuring and Height Card Information

If your dog does not have a Temporary or Permanent height card, or if your dog has turned 2 years of age, since getting your temporary height card, your dog **NEEDS** to be measured.

All dogs competing in agility must possess an official AKC Jump Height Card. Dogs that do not have a valid Jump Height Card must be measured by a judge of record for that trial and will only be effective for that set of trials, excluding the dogs jumping in the 24-inch or 26-inch height division.

If an official measurer is present, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form must be measured for a Jump Height Card regardless of the jump height entered.

If there is not an AKC Field Rep or VMO in attendance, all dogs that have not been issued a permanent Jump Height Card or temporary jump height (yellow) form may still compete; however, they must be measured by a judge of record for the trial, prior to running at each trial. The judge's measurement will be valid for this trial or back-to-back trials only.

If a dog is measured by an AKC Field Rep or VMO and is now eligible to jump in a lower height class, the measurement is effective immediately for any future runs. This does not apply to a challenge measurement for a permanent jump height card.

Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process.

It is the sole responsibility of the exhibitor to have their original, official jump height card or temporary jump height form at each trial to present upon request. Additionally, if a measurement is necessary, it is the exhibitor's responsibility to have their dog measured prior to running. Regulations for Agility Trials, Chapter 2, Section 4.

- Please make sure you enter your dog in the proper height class, I hate getting notices from the AKC of Qs that are removed for dogs running in the wrong height division.

DATA ENTRY AND CHANGES TO YOUR INFORMATION

Data entry mistakes happen. That is why we ask everyone to READ their preliminary confirmation and final confirmation. For the majority of entries, dog and owner/handler information remains the same. However, if you have a: New email address, New Titles, New Handler, New address and phone, New jump height (including jump height changes from trial to trial. For example, dog jumps 24" at one trial, then 26" in the next trial.) Highlighting **ANY** of these changes on entry forms would be especially helpful so that these changes can be updated in our database. Then, please review your confirmations carefully to ensure that your requested changes have been made.

For overnight delivery, signature waiver - Please remember to check the No Signature Required box AND sign that spot where you authorize them to deliver. My Post Office will not deliver packages that require a signature and I can't go pick them up!

Move Up Deadline - Remember that the Move-up Deadline for your first day of a weekend trial is ALWAYS **Monday at 6 pm**. Please send those move-ups in right away.

Novice Exhibitors – please read the section on the move-up form or under Move-ups about when you need to change from Novice A to Novice B and also read the section under classes to determine whether you should enter Novice A or Novice B level classes.

Email Correspondence

I ALWAYS acknowledge all entries with an email. You will either get a preliminary confirmation or waitlist email. If you do NOT receive an email from me DO NOT assume you didn't get into the trial. You NEED to assume I didn't get your entry. And please allow two weeks after opening for me to process the entries.

If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.
