Eligibility

This event is open to all dogs 20" and under and over the age of 12 months, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect a dog's physical or mental performance.

Dog must be registered with TDAA to participate in TDAA Trials. There is a registration form included in this premium list, which can be either filled out and handed in with your entry or mailed directly to TDAA.

Measured Heights and Divisions

All dogs not having a permanent jump height certificate will be required to be measured by the judge of record at a trial. The judge will record the dog's measured height and legibly print their name on the measuring form. After receiving two measurements that agree, the dog will receive an official jump height certificate. If two measurements result in two different measured heights, then a third judge is required to make a final measurement

- 2" - dogs measuring 4" or less at the withers
- 4" - dogs measuring 8" or less at the withers
- 8" - dogs measuring 12" or less at the withers
- 12" - dogs measuring 16" or less at the withers
- 16" - dogs measuring 20" or less at the withers.

Special provisions are made granting body-type and veteran dogs jump height exemptions. Dog's given an exemption at a lower jump height will be able to earn qualifying legs and all TDAA titles. Any dog jumping with a jump height exemption competes against the field of dogs at the dog's measured height. Only one jump height exemption for body type will be allowed. Dogs may be given a second exemption for Veteran status. A dog's owner or handler may enter a dog at any jump height desired. Dogs jumping at a height other than their measured height will earn qualifying legs and all TDAA titles. A dog may enter a trial at only one jump height.

Note ** New Rule - A dog's owner or handler may enter a dog at any jump height desired. The dogs measured height is for scoring purposes.

Body Type exemptions:

E1 - Long backed dogs – The long-backed dog would be based on the measurements of the dog from the front of the chest to the back of his rear compared to the measurement of the dog's height at the withers.

E2 - Weight to length provision (by structure, not obesity) – This exemption should be limited to certain breeds that have a propensity for weight that is greater than their height if you compare pounds to inches.

E3 - Dogs with dwarfish legs/deep chest dogs – This exemption is granted to dogs whose leg to shoulders height ratio is 1/3 or less of the dog's overall height. The exemption for dog's with dwarfish legs is based on the measurement of the dog's withers height, when that height is 150% or greater than the measurement of the space from the floor to chest.

Veteran -

A veteran dog is a dog of at least 7 years of age. Veteran dogs receive an extension in standard course time. 4" (measured height) veterans receive an additional 4 seconds while 8", 12", and 16" veterans receive an additional 2 seconds.

Class Information

Standard Class

BEGINNER AGILITY (BEG)— All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.

INTERMEDIATE AGILITY (INT) - Only dogs who have earned the Teacup Beginner Agile Dog (TBAD) shall be eligible for participation in this class.

SUPERIOR AGILITY (Sup)— Only dogs who have earned the Teacup Intermediate Agile Dog (TIAD) or the Teacup Superior Agile Dog (TSAD) shall be eligible for participation in this class.

Games Class

GAMES I (G1)—All dogs shall be eligible for participation in this class. There shall be no grandfathering of titles from other organizations.

GAMES II (G2)— Only dogs who have earned the Games I (TG1) shall be eligible for participation in this class.

GAMES III (G3) — Only dogs who have earned the Games II (TG2) or Games III (TG3) shall be eligible for participation in this class.

FEO (For Exhibition Only) Will be offered at this trial.

A dog may be entered FEO in a level lower than their regularly-entered level provided that the FEO run is subsequent to the higher level class; For example, a team enters Intermediate Standard for purposes of qualifying, and may enter Beginner Standard as an FEO entry if Beginner is scheduled to run after Intermediate. FEO runs will not be eligible for placements (or for qualifying), although they will be judged and scored. While no actual score will be recorded, the entry is conducted under the provisions of TDAA Rules and Regulations. FEO dogs should be given the courtesy of a judged and timed performance. The guidelines for judging the dog shall be consistent with rules for performance established for dogs of comparable level. For example, if a dog ceases to work, he should be dismissed from the ring; (a short blow on the whistle and a polite excusal from the ring). The dog should be subject to a Maximum Course Time (MCT). This is typically 1.5 times the SCT (for example, if the SCT is 60 seconds the time-keeper will blow a whistle or sound the horn at 90 seconds).

For complete rules on FEO See the TDAA Rules and Regulations Chapter 3 section 4.

FAST TRACK:

Titles may be grandfathered from other organizations on a “Fast Track” basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginner to Superior on the same day, if the dog qualifies first in Beginner then qualifies again in Intermediate. Likewise, it is possible for the dog to move from Games I to Games III by qualifying in the lower two levels.

Fast Track Will be offered at this trial.

Classes and Descriptions

Classes Offered: 2 rounds of Standard Classes and 3 Games Classes (Dare to Double, Run Til you Drop and Wildcard)

S= SUPERIOR, I = INTERMEDIATE, B = BEGINNER

TENTATIVE RUNNING ORDER: Small to Tall all classes

Snooker (G1, G2, G3), Standard rounds 1 & 2, (BB, II, SS), Blackjack (all levels), Standard round 3 (B, I, S)

***NOTE* The standard classes will run as listed above and the games classes will run all levels combined.**

Games Classes Descriptions:

Dare to Double: is a dog's-choice game. The objective is to score as many times as possible, repeating a doubling obstacle on course (traditionally the A-frame) as many times as possible. The dog must stop before course time elapses or be penalized. Dare to Double is score Points, Then Time.

Run 'til You Drop The objective of Run 'til You Drop is to score as many points as possible in the time allotted. The obstacles can be taken in any order and direction. The teeter has no point value and must be performed as the last obstacle; hence the name of the game. If your dog drops the plank of the teeter before time expires, then all of the dog's points will be doubled. Otherwise, there's no penalty for going overtime, except that the dog cannot earn the bonus. Big dogs have 26 seconds; small dogs have 30 seconds.

Wildcard

A Wildcard course is run like any standard agility course. The dog is required to perform a sequence designated by the judge. However, at three designated points on the course the handler, or possibly the dog, will have a choice of which obstacle, out of three obstacles, to perform for that number in the sequence. This is called a Wildcard. The dog must take one of each number (a 1, a 2 and a 3), in the order of his choice, from the three Wildcards on the course. Repeating a number already taken from an earlier Wildcard will be ruled an off course. The three obstacles for the Wildcard are placed approximately parallel to each other. The Wildcard obstacle nearest the natural flow of the course will be valued at 1 point, the Wildcard obstacle furthest from the natural flow of the course will be valued at 3 points. The middle obstacle in the line of three will be valued at 2 points.

Disclaimer: Judge's briefing on day of trial supersedes any previous briefings above. The judge will discuss in more detail the game techniques. Games information is available in the Clean Run Book of Agility Games, 2nd Edition, by Bud Houston.

Handicapped Handlers: Disabled handlers will be allowed an additional 4 seconds in Standard and in qualifying course time in Games. A copy of the handler's disabled parking permit must be sent with the entry or presented at check in.

AWARDS: Ribbons will be awarded for 1st through 4th in each jump height in each class. Qualifying ribbons will be awarded to all dogs receiving a qualifying score. Dogs may receive placement ribbons without qualifying.

Fast Track dogs will only receive qualifying ribbons at the Beginner/Games I and Intermediate/Games II levels.

FAST TRACKING

PLEASE READ

How the Fast Track Move-Up Program Works

Titles may be grandfathered from other organizations on a “Fast Track” basis. A dog with a higher title from another organization may move up on the same day to the next level of TDAA competition with a qualifying score. It is possible to move up from Beginners to Superior on the same day, if the dog qualifies first in Beginners, and then qualifies again in Intermediate. It is also possible to move up from Games I to Games III on the same day if the dog qualifies first in Games I and then qualifies again in Games II.

A qualifying score in the lower class is required to move up to the next higher class. **You must submit a copy of title certificates for each dog.** Fast tracked dogs are not eligible for placement or title ribbons, but are eligible to receive Q ribbons.

Submit \$8.00 for each dog’s fast track move-up request. Payment of the \$8.00 is no guarantee that your dog will qualify at the lower level (though he will have multiple chances at each), and is non-refundable. If you have fast tracked before at a previous trial but have not moved up to the equivalent level based on titles earned through another organization, you may fast track at this trial by submitting the Fast Track Move Up request and fee.

Include FAST TRACK Move Up request with entry form
